# **Making Courses More Engaging: Revising Courses to Fulfill the Civic Engagement Proficiency**

**Dr. Maia Bailey**

**Associate Professor of Biology  
and Core Faculty Fellow for Civic Engagement**

By revising courses to fulfill the civic engagement proficiency you can better meet your course goals, enhance disciplinary learning, increase student enrollments, and improve satisfaction for both you and your students. Come hear different strategies for meeting proficiency standards, examples from existing courses, and ideas for how civic engagement could enhance courses in your discipline.

**Wednesday, March 16<sup>th</sup>**

**11:30 a.m.-12:20 p.m.**

**Feinstein 304**

**RSVP to [cte@providence.edu](mailto:cte@providence.edu) or ext. 1340.**
