

The PC Writing Center Faculty Luncheon Series  
Spring 2017

# Teaching ESL Writers

## Manuela Barcelos, ESL Specialist, Office of Academic Services

ESL student writers face unique challenges with academic writing, and faculty are also challenged in responding to their work. This session will begin with an overview of a few key theories that are pivotal in understanding the complexities of ESL writing. A hands-on exercise will be provided to help fuse these theories into practice. There will also be an opportunity for faculty to share dilemmas they have faced when evaluating the writing of ESL students.
