Presenters:

Eric Hartman, Assistant Professor of Global Studies

Eric Sung, Associate Professor of Photography

Friday, March 21st, 2014

12:30 pm – 2:00 pm

Feinstein 304

Telling stories is a powerful way to convey a message. Digital storytelling can help you achieve your learning objectives in the classroom. Come listen to faculty experiences with digital storytelling and explore the possibility for your students.

RSVP by March 17th to cte@providence.edu or ext. 1340.
Refreshments will be provided.
