The Instructional Technology Development Program Present ...

Teaching Tools: Best Laid Plans? Preparing Your Classes for Bumps in the Road

Inclement weather, illness, travel conflicts, etc. can all change the plans of face to face classroom schedules. Sakai and other tools can help with student contact and engagement when the unexpected arises. Please join us in sharing tips and strategies for supporting and scaffolding instruction when 'best laid plans' for class go awry.

Monday, November 9th

2:00 p.m.-3:00 p.m. Feinstein 304

**Facilitated by Julie DeCesare, ITDP Coordinator
Shonna Ryan, Instructional Technologist**

RSVP to cte@providence.edu or ext. 1340.
