12:30 pm-1:30 pm

Center for Teaching Excellence (Feinstein 304)

Using electronic portfolios to enhance and assess student learning has become a common pedagogical practice. Nuria Alonso García and Elizabeth Tangney will share the Global Studies experience with ePortfolios. Participants will discuss how they might implement ePortfolios in their courses and programs to further support student engagement and ownership of learning.

RSVP by April 6th, 2014 to cte@providence.edu or ext. 1340.

Refreshments will be provided
