# LEARNING IN COMMUNITY

A workshop series to develop strategies for “what works” to maximize the power of sustained, collaborative change in which community is at the center of learning.

**WEDNESDAY, NOVEMBER 10  
@12-1:30PM**

**Faculty and staff of Providence College, Brown University, and College Unbound who are interested in building on students' lived experiences and local community expertise are invited to foster cross-institutional connections at the virtual workshop. Panelists will include local community leaders who have navigated these institutions as students, graduate students, and community partners.**

**ZOOM MEETING ID: 949 0692 3922 PASSCODE: 539444**

**SPONSORED BY BRINGING THEORY TO PRACTICE**
