

The Center for Teaching Excellence presents

# A Conversation with the Innovation in Teaching Award Recipient 2021

**Dr. Christine Earley, *Professor of Accountancy***

*Teaching Critical Thinking Through Technology*

*"I find the underlying critical thinking skills that are developed using a particular technological tool, and the ability to communicate the implications of the output provided, more compelling than mastery of the particular tool itself."*

**Wednesday, October 20, 2021  
11:30 a.m. -12:30 p.m.**
